once allowed wages cannot be
reduced afterwards. The grant allowed
for one year is now proposed to be
continued for another. No S? for
a limited period the change has
practically to be treated as a
permanent one and I should like
therefore to know if this Institution
can afford this extra charge from
its existing standard income,
even if there is no increase
under any head of its receipts.

The establishment charges cannot be
met out of the reserve provided for "repairs"
In the present instance the ^{annual} average of miscellaneous
collections, (Rs 299) for the last 11 years ending 1929
was Rs 138 in excess of the estimate and
during the last year the excess was as much as
Rs 223-12-0. The additional provision required
is Rs 160 and it may be expected that the excess
receipts are likely to fully meet this additional
charge in future years.

~~estimated~~ The temporary establishment
may be continued for another year for the
present—

Letter No. 139/25-26 dated 17th April 1926 from the Deputy Commissioner, Mysore District to the Local Commissioner, Mysore.

"With reference to your memo No. R.Dis.116 of 24-25 dated 11th --
December 1924, forwarding copy of Government order No. 765-5/Muz.116-24-2
dated 28th November 1924, sanctioning temporarily for a period of one
year the revision of rates of wages payable to Bandikars at an addi-
tional cost of Rs.160/- a year in the Sri Ranganathaswami temple at
Serpentidatta and requesting to submit a report after the period of
one year regarding the financial results of the temple from the Golaka
and Sevatha collections, I have the honor to note in the margin the
Golaka and Sevatha collections of the temple and to state that the --
low of fees on sevathas had the effect of decreasing the income -
under Golaka collections to a considerable extent and the combined ---
increase from both the sources in 1925 over the average Golaka collec-
tions during the three previous years is only Rs.37/-. Both the
Amil ar and the Sub Division Officer French Rocks, recommend that as
the services of the Bandikars are indispensable the increased allotment
of Rs.160/- may kindly be sanctioned.

Government Order No.639-41/Muz.379-21-2 dated 9-8-1922 the
income under item No.2 Miscellaneous collections from Kanike
tr., is shown as Rs.162-4-0; but the average collection for
1924 is Rs.36/- a year. The total collections under the heads
collected in 1924 is Rs.336/- for the year 1925.

In these circumstances, I request that sanction of Government
be obtained for the increased allotment of Rs.160/- payable to
Tendulkar temporarily for one year as the Sub Division Officer has
submitted a report for the revision of the salary scale of income
and expenditure of the said institution as called for in your letter
No.7.717 of 27-26 dated 23-12-1925.
